**IN THE EVENT OF ME BEING ABLE TO OBTAIN A BULL TERRIER THROUGH THE BTC WELFARE TRUST**  
**I AGREE TO THE FOLLOWING CONDITIONS:**

That I will bring proof of my identity and my address on collecting any dog.  
 That I shall be required to sign an adoption contract.  
 That the dog is intended for a pet only, and is not to be used for breeding.  
 That I am responsible for the dog in every way, that I will insure against third party risks.  
 That it is necessary for my garden to be well fenced.  
 If I need advice I will contact the Trust.  
 That it is the Trust's aim to unite applicants with a Bull Terrier compatible with their needs, but although we take every care we cannot guarantee the animal's health, or that it will be suitable for any particular purpose.  
 That in the instance of a direct transfer (between owner and myself) I understand would be a contract between that owner and myself, and that the BTC Welfare Trust merely link me with an available, but unseen and un-assessed dog, and I realise in such circumstances they can accept no responsibility whatsoever.

**I HAVE READ THIS AND AGREE TO THE CONDITIONS.**
